

**NO:** NT-103      **PRODUCT:** NSA Series Industrial Panel PCs  
**DATE:** February 2017      **TYPE:** Discontinuation Notice

## NSA Series of Industrial PC (IPC) to be Discontinued; Replace with NY Series

**Discontinuation date: end of May 2017**

The NSA Series product is an Industrial PC with the Windows XP Embedded operating system. Microsoft ended support for Windows XP Embedded on Jan.2016. The final purchasing date of this operating system from Microsoft is Jan. 2017. Further operating system updates for Windows XP Embedded will not be available from Microsoft after that time. The new Omron NY series of IPC can be a functional replacement for the NSA series.
